1. D/OPA Rm 6G00		2 OCT		1 - 3: Bruce: The attached memorandum addresses a problem OPA has with the PILOT SAFE system. Despite our ability to obtain technical gear for the pilot program on a priority basis, a Government-wide GSA furniture moratorium prevents us from acquiring the systems furniture in which the technical equipment must be installed. With your endorsement and DCI approval, we hope to obtain an exception to the moratorium from GSA.
